Our Message is Hope

Recovery brings us hope and freedom, and allows us to transform our lives. Inspired by addicts who have come before us, those who are no longer with us, and those we hope to bring home into our rooms soon, WSNAC XXV seeks addicts who would like to fold origami cranes to help decorate our convention. Would you like to help?? It's fun and meditative. Perhaps it is something your home group or sponsee family would like to do. Contact Beth at Bethnk@wi.rr.com or (414) 840- 5342 to get started. This project is inspired by an addict in recovery who is in prison. It is not affiliated with any religion or outside enterprise of any kind.

Meditation Room: WSNAC XXV will have a 24 hour meditation room, in which you can put up pictures, poems prayers, and remembrances in gratitude and in hope. NA does not endorse any specific religion. Please be mindful of our common welfare and tolerant of the diverse beliefs of our individual members.

Our Promise is Freedom
